WORK EXPERIENCE

Portfolio Reporting Assistant (Investment)

July 2025 – Present

Freelance

Remote (EMEA focus)

- Record and reconcile brokerage transactions from email-fed data into structured ledgers, ensuring accuracy, completeness, and cut-off integrity.
- Perform portfolio valuation and mark-to-market adjustments using IFRS 13 Level 1 pricing data and market APIs (Alpha Vantage).
- Support cross-border portfolio reconciliation and period-end reporting for a Dutch portfolio, including time-zone-aligned trade validation.
- Automate reporting workflows using Google Apps Script and APIs, reducing manual processing time by ~20%.
- Develop portfolio analytics (ROI, sector allocation, exposure) to support investment decision-making.
- Standardize reporting templates across equities, options, and leveraged derivatives (turbos) to improve consistency and reporting efficiency.

Student Council Treasurer

Sept 2024 – June 2025

Bath Spa University

On Campus

- Prepared monthly financial reports for senior university stakeholders, tracking budget utilization and expenditure variances.
- Managed AED 80,000+ budget using variance analysis and cost controls, achieving 10% underspend.
- Collaborated across student council departments to align financial planning, reporting, and budget execution.
- Maintained reconciled financial records in compliance with institutional policies, ensuring audit readiness.
- Forecasted event costs and monitored cash flow to optimize allocation of student council funds.

Student Peer Tutor

Oct 2023 – Aug 2024

Bath Spa University

On Campus

- Delivered faculty-selected lectures on optimization using algebraic expressions and visuals to 100+ students.
- Provided peer mentoring across multiple modules, contributing to 80-90%+ final exam performance.
- Supported incoming students over the summer through structured tutoring and clear explanations.

TECHNICAL SKILLS & TOOLS

- **Skills:** Financial Modeling (DCF, forecasting, budgeting, variance analysis) · Financial Planning & Analysis (FP&A) · Financial Reporting & Performance Analysis · Stakeholder Reporting & Financial Communication
- **Tools:** Advanced Excel (Pivot Tables, XLOOKUP, data analysis & dashboards) · Power BI (foundational dashboards & visualization) · SQL (basic data querying & structuring) · Google Apps Script (AI-assisted process automation & workflow optimization)

PERSONAL PROJECTS

DCF Valuation Model of Micron Technology, Inc.

May 2026 – Present

- Developing a discounted cash flow (DCF) model for Micron using historical unlevered free cash flow (UFCF), with forward projections under multiple growth scenarios, to be compared against future reports for validation.
