EDUCATION

Association of Chartered Certified Accountants (ACCA)

ACCA Part-qualified (9 out of 13 papers completed)

Sept 2023 – Present

UAE

Bath Spa University

BA (Hons) in Business & Management (Accounting), ACCA-accredited

Sept 2023 – June 2026

RAK, UAE

- **Academic Standing:** First-Class Honors (UK); ranked 1st in inaugural ACCA cohort.
- **Dissertation:** *The AI Implementation Gap: Policy–Audit Misalignment in the UAE and Egypt*

WORK EXPERIENCE

Portfolio Reporting Assistant (Investment)

Freelance

July 2025 – Present

Remote (EMEA focus)

- Recorded brokerage trade confirmations (auto-forwarded from client emails) into internal ledgers and performed reconciliation against source data to ensure accuracy, completeness, and cut-off integrity.
- Performed IFRS 13 Level 1 mark-to-market valuations using market data APIs (Alpha Vantage).
- Supported cross-border portfolio reconciliation and period-end validation for a Dutch investment portfolio, ensuring transaction cut-off accuracy by recording trades in client local time zones.
- Automated spreadsheet reporting in Google Apps Script (GAS) using Alpha Vantage API for periodical and historical equity data, implementing throttling, and custom functions reducing manual reporting time by ~20%.
- Produced portfolio analytics (ROI, exposure, sector allocation) for client reporting and decision support, incorporating event-driven analysis of news and market developments to identify price movement drivers.
- Standardized reporting templates across equities, options, and leveraged derivatives (turbo).

Student Council Treasurer

Bath Spa University

Sept 2024 – June 2025

On Campus

- Prepared monthly financial reports for senior university administration, coordinating with student council functions to monitor budget utilization and analyze expenditure variances.
- Managed AED 80,000+ budget using variance analysis and cost controls, delivering targets 10% under budget.
- Maintained financial records for reconciliation, budget, and audit-ready compliance with university policies.
- Forecasted event expenditures and monitored cash flow to optimize allocation of student council funds.

Student Peer Tutor

Bath Spa University

Oct 2023 – Aug 2024

On Campus

- Delivered faculty-selected lectures on optimization using algebraic expressions and visuals to 100+ students.
- Provided peer mentoring across multiple modules, contributing to 90%+ final exam performance.
- Supported incoming students over the summer through structured tutoring and clear explanations.

TECHNICAL SKILLS & CERTIFICATIONS

- **Skills:** Financial Modeling (DCF, budgeting, forecasting, variance analysis) · Advanced Excel (pivot tables, XLOOKUP) · SQL (basic) · GAS (workflow automation) · Academic Writing (APA, MLA, Harvard)
- **Certifications:** QBO ProAdvisor Certification · L1 Xero Certified Associate

PERSONAL PROJECTS & CONFERENCES

DCF Valuation Model of Micron Technology, Inc.

May 2026 – Present

- Developing a discounted cash flow (DCF) model for Micron using historical unlevered free cash flow (UFCF), with forward projections and sensitivity analysis, benchmarked against future financial statements for validation.

Institute of Financial Accountants (UK) Middle East Conference 2024

Nov 2024

- Participated in a Q&A on AI in accounting, focusing on ethical and operational implications.

Institute of Financial Accountants (UK) Annual Members Conference 2023

Nov 2023

- Attended conference sessions, including a panel on UAE corporate tax and its financial reporting implications.
